

**Dr. Omar Ali presents**

# **Dr. King's Civic Practice**

*Building Inclusive Communities in a Divisive World*

What movements have helped to advance democratic inclusion in the United States? What role have African Americans and other Americans played in making some of the most sweeping changes in our republic--abolishing slavery, extending the right to vote, and protecting civil rights?

**Thursday, Feb. 25**

**7 p.m.**

**Calvert Library  
Prince Frederick**
