2010 Regional Small Business Purchasing & Procurement Expo

Wednesday, September 22, 2010

This event provides the opportunity for small veteran, women and minority-owned businesses to meet and dialogue with the contracting officers of local, state and federal government agencies, educational institutions and private sector firms regarding their current and future contracting opportunities. This trade fair-style event will allow you to network and meet directly with the contractors of interest to you without taking up your entire day.

Seminars will be offered throughout the day on topics of interest to new and growing businesses. Join us for lunch and the 2010 Minority Business Awards. The theme of this year's Expo, "Positioning Business for Growth," will feature innovative workshop presentations on reading and understanding your financial statements, conducting a market analysis, repositioning and marketing your business including how to use social media to help your business grow, and much more.....

For registration details and additional information contact Michelle Francino 301-274-1922
